NUR

	* Transfer guides for most community colleges are available from the Admissions Office, online on the UIUC website and College of Nursing. It is listed as follows: http://www.uic.edu/depts/oar/undergrad/transfer_guides/nurs/cirrent/index.html * * A cultural diversity course examines culture, social, and political institutions and value systems of social groups, or nations different from those dominant in the American culture. * * * Includes Upper Division (3 SH) as designated as meeting a general education guidelines may include a course designed as meeting the "Understanding the past", "Exploring cultural diversity", "Understanding the creative arts" or "Understanding the individual and society" or "Understanding US society". The upper-division elective may be taken after enrollment in the program, but may extend the length of the program. Upper division at UIUC is considered a class at the 200 level or above, whereas at other Four year colleges or universities, a 300 level or above class is required. Electives do not include physical education course. * * * * Check with the College of Nursing for the total number of LAS hours required.
