FAMILY & GRADUATE HOUSING

VACATING
YOUR APARTMENT

UNIVERSITY HOUSING
Thank you for choosing to live in Family & Graduate Housing. Please use this pamphlet as a guide to help you properly clean and vacate your apartment. It is our hope that this booklet will help you leave your apartment in good condition. At the suggestion of residents, we have made this checklist specific and detailed. If you have further questions about the vacating procedure after reviewing this information, please contact Family & Graduate Housing at 333-5656 or e-mail us at apartments@illinois.edu.

**Vacating Date**
You must vacate your apartment on or before the last day of your lease termination date. Requests for a lease extension beyond the last day of your current lease vacating date must be submitted in writing by completing a Lease Extension form. Lease Extension forms are available in the Family & Graduate Housing office and online at the University Housing website. Requests for lease extensions must be submitted by May 15th and will only be approved by the Family & Graduate Housing office in very rare cases.

**Deposit Return**
The University will credit your security deposit to your student account prior to your requested vacate date. If vacating charges are assessed against your apartment, they will be billed to your University account.

**Keys**
All keys, including mailbox and laundry keys, must be returned by 12 noon on the last day of your lease or on your requested termination date. Residents who fail to return their keys on time will be charged for a lock change and missing keys.

**Abandoned Property**
All items left on the premises at the time of vacating will be disposed of by Family & Graduate Housing (including bikes and cars). Please take extra care to remove all of your personal items.

**Cleaning Your Apartment**
The apartment should be thoroughly cleaned before you leave. If your apartment does not meet the standards of Family & Graduate Housing, a charge for necessary cleaning will be assessed. Please use the following checklist to help insure you have completed all necessary cleaning tasks.
