EATING SMART

We cater to many different eating needs and styles. Want to eat healthier or have food allergies? Maybe you’re on a vegan diet, or need gluten-free meals. Perhaps you follow cultural or religious rules about how foods can be prepared and served.

WE CAN HELP!

Housing’s Dining Services has an in-house dietitian who works one-on-one with students to assist with dietary needs and concerns.

You can also use our EatSmart tool or the UI Dining App to find daily menus, filter options by allergen or food preference, and get nutritional information.
