SIGNING UP FOR YOUR ROOM

First year students are required to live in University-approved housing. At Illinois, you get to choose your own room—even as a new student. And we guarantee housing for all incoming students.

It’s easy. With our two-step process, you can pick* a specific hall, room and roommate in the online housing contract.

*You only get to make your own selections, preference a Living-Learning Community, or request one of the special living options IF you complete your contract by the May 15 priority deadline.

STEP 1

Go online and complete your contract. You’ll need to wait 24 hours after you’ve accepted your admissions offer before you log-in.

If you complete your contract before May 15, you’ll be emailed a random entry time for the next step. Entry times will be emailed in late May.

STEP 2

a.) When your random entry time arrives in late May, log back in and choose your room from the available inventory. b.) Then choose a meal plan.

Make changes anytime between your entry time until housing selection closes in June.

In late June, we’ll send you a notice that confirms your fall room selection and the name of your roommate.

EVEN IF YOU MISS THE MAY 15 PRIORITY DEADLINE, WE’LL STILL HAVE A SPACE FOR YOU.

University Housing will pick a room and roommate for you based on available space and the location preferences you provide in the online contract. We’ll send you a confirmation when your assignment is made.

Why Random? We assign entry times in random order so that all students have an equal chance of getting their preference no matter when they are admitted or accept their offer of admissions.
SELECT YOUR ROOMMATE

You can pick a preferred roommate during step 1 or step 2.

KNOW YOUR ROOMMATE ALREADY?

Indicate your roommate preference before May 15 and you’ll be assigned the same entry time to pick a room.

DON’T HAVE A ROOMMATE YET?

Lifestyle questions in the online system will help you match with potential roommates. Use the email feature to message with other incoming students to learn more about living together.

CHOOSING A LIVING-LEARNING COMMUNITY (LLC)

• Let us know your preference before the May 15 priority deadline.

• Complete the essay required for participation.

• If you have a roommate in mind, BOTH of you need to list the same LLC as a preference.

• Get approved to be in the community.

• You’ll get a special early entry time to select your room in the LLC.

• Get your final confirmation in June.

NEED A SPECIAL ACCOMMODATION?

If you need a special accommodation because of a disability or medical need, let us know in your online contract. Missed that part? Just email us at housing@illinois.edu. Visit HOUSING.ILLINOIS.EDU/ADA for more info.
MEAL PLANS

All students living in an undergraduate residence hall are required to purchase a meal plan. (Meal plan pricing and room rates are combined into one inclusive package.) Use your meal plan at any of the 24 dining halls, restaurants, cafes and stores operated by University Housing.

12 Classic Meals + 15 Café Credits
The most affordable plan. Offers a consistent number of meals to use each week. Use the extra Café Credits for quick, lite meals or snacks on the go.

- Offers access to all 6 dining halls for all-you care to eat (buffet style) meals. Each visit or access counts as one of 12 weekly meals. Meals not used in a week expire on Sunday.
- Café Credits can be used to purchase additional meals in a dining hall (between 8-13 credits per meal) or individually priced items at our 6 convenience stores and coffee shops. (1 credit = $1).
- Up to one week’s worth of unused Café Credits (15 credits) can rollover to the following week.
- May run out of meals or have meals expire if not budgeting correctly each week.

10 Classic Meals + 45 Café Credits
Enjoy the consistency of a weekly meal plan with added flexibility. Use the extra Café Credits for quick, lite meals or snacks on the go.

- Offers access to all 6 dining halls for all-you care to eat (buffet style) meals. Each visit or access counts as one of 10 weekly meals. Meals not used in a week expire on Sunday.
- Café Credits can be used to purchase additional meals in a dining hall (between 8-13 credits per meal) or individually priced items at our 6 convenience stores and coffee shops. (1 credit = $1).
- Up to one week’s worth of unused Café Credits (45 credits) can rollover to the following week.
- May run out of meals or have meals expire if not budgeting correctly each week.

Use our Dining App to get real time info about your food right on your phone. You can pull up daily menus, find out where and when specific dishes are being served, filter options by allergen or food preference, and get nutritional information for the foods you want to eat.
Have special dietary needs? We have nutritionists on staff to help with healthy eating, food allergies, and special diets. Note special dietary needs on your contract so we can work to accommodate you. To learn more visit [HOUSING.ILLINOIS.EDU/SPECIALDIETS](http://HOUSING.ILLINOIS.EDU/SPECIALDIETS).

This plan has the best value. Eat at any of the dining halls whenever they are open – whether it’s a sit down meal, a quick snack, late-night munchies, or just a beverage.

- Offers open access to all 6 dining halls for all you-care to eat (buffet style) meals as well as snacks and beverages throughout the day.
- Can visit dining hall once per meal period up to 7 times each day.
- Will never run out of meals.

### All Café Credits

Use it like Café Credits to purchase meals and grab-and-go items at any University Housing dining spot or A La Cart, as well as coffee shops and food locations in the Illini Union, academic buildings, and on campus. Rates have been approved by the Board of Trustees. Rates are for both semesters of the academic year and are subject to change. Residential Fund Council (RFC) student government dues of $16 per year are included in the rates.

**CONSTANT RATE MAKES PLANNING EASIER**

Constant Rate means that room and board rates for the first year in University Housing will stay the same for up to four years - as long as the student lives continuously in the residence halls. This makes living on campus more affordable and easier to plan for.
