GETTING TO YOUR HALL

Bring this map with you on Move-In Day and use it for directions.

It’s very important that you follow the driving directions provided in this guide or on the Illinois App when coming to campus Tuesday, August 15 through Thursday, August 17.

Pro-tip: These temporary routes are designed to reduce traffic congestion and speed up your moving process. If you arrive any other day, follow the normal routes and parking restrictions.

MOVE-IN STEPS

• Ensure you and your visitors know your assigned residence hall and room number.

• Follow the highway exit information and color-coded routes to drive to your hall.

• Follow directional signs and volunteer instructions to your hall’s unloading area.

• Have your i-card ready and head inside your hall to check in.

VEHICLE & PARKING INFORMATION

Once your vehicle is unloaded, you will be directed to a general parking lot on campus. Vehicles left in the unloading area past their allotted time may be relocated. University Housing is not responsible for parking tickets you may receive.

If you are moving in on a day other than August 15 - 17, follow posted signage on campus regarding parking.

EARLY STUDENT MOVE-IN

Students who have a university obligation or need to move in early for personal reasons may move in between August 13 - 15 for an additional fee.
